Who you sell to

Select an option

Audience

Indian fashion boutiques, wholesalers, jewelry sellers, and marketplace merchants creating catalogs and marketing assets.

Voice

Plain, practical, product-led; explain workflows, features, and outcomes without hype or fluff.

Tone

Direct, clear, mildly promotional, and instructional; confident but not casual.

Writing style

Use short paragraphs, concrete steps, numbers, and examples. Prefer active voice, second person, headings, and lists.

Editorial positioning

Lead with WhatsApp-first commerce and marketplace readiness. Avoid hype, fear, competitor bashing, and vague brand claims.
